

St Luke's
Primary School

Children's Evaluations

2021-2022

Whole School

What things do you like about our school?

- Sports competitions
- Fun trips
- Mixing on the playgrounds now.
- GTBG
- Teachers are really nice.
- School dinners.
- Good education.
- Building and grounds have lots of space.
- Like the treat fun days / free days.
- Tree house / trim trail.
- After school clubs.
- Colourful classrooms.
- Star and Citizen / reward system (awards)
- Swimming.
- Lessons.
- Fact that we're multi-cultural
- It is a kind and caring school.
- We have a lot of places to play; tree-house, muga, basketball area...
- Lessons are NOT boring.
- There is a variety of sports and competitions that we go to/ participate in.
- We enjoy the school dinners.
- Our families get to come once a month to worship and they get to watch us in the plays.
- Our P.E is good; we have learnt to play lots of new games including rounders.
- We go on great trips and residential.
- We love swimming every year (from Year 2).
- ICT: We have great equipment i.e. crumbles, laptops, i-pads...
- Staff are really friendly
- The children are friendly.
- We don't just do worksheets; we do lots of practical activities.
- The teachers make boring lessons fun by putting activities on the tables.
- The teachers are lovely.
- Maths: we learn a lot (it's fun)
- Swimming
- ICT
- Sports
- Art, DT
- Maths
- Field
- Treehouse, library
- Reading, English, Big Write, Spelling Tests
- All tests
- French
- Outdoor learning
- History, Geography
- Trips, Good to be Green
- Football Table
- R.E.
- P.E.
- Sports Day
- Race for Life
- Lunch time
- Dance Club, Football Club, Multi-skills club, homework club
- Celebrate and Praise, Family worship, Whole school worship

What things do you like about our school?

- Playtime—we get to play with our friends and other year groups now.
- Maths—We like to be better at numbers and we learn about fractions
- Worship—We learn about God and pray
- Science—We do experiments and learn about the world
- Art—We like to be creative
- PE—We do fun things to make us strong and fit. we get to different sports lessons and competitions.
- Treehouse—We are lucky because we get to play on it at playtime and dinnertime
- History—We get to learn about the past
- We love St Luke's because we learn lots of things to make us smart and the teachers are nice.
- I like that we learn new things all the time.
- I like our teachers because they take care of us and make us better.
- The playground is huge and we are lucky because I think other schools don't have what we have.
- People treat each other in a kind and passionate way.
- We like to play with our siblings at break time and lunch time.
- I like PE with the Wolves Foundation and coming to school in our PE kits.
- The school building because of the size and colours of the windows. It has a unique shape.
- We enjoy having GoRead as a reading log instead of paper reading records.
- After school clubs run by Wolves and Dance with Priya.
- Visiting lots of places
- Competitions in school and between schools
- Behaviour—good to be green sessions enjoy, golden tickets and party.
- Homework on the computer—enjoy TTRockstars the most

Are there any things that you don't like about our school?

- Prefer to have tasks for homework instead of open activities.
- Some different playground equipment—love what we have but maybe some different options.
- Sometimes the cutlery has little bits of food on (not washed properly).
- Sometimes the milk has floating bits / as does the water.
- Sometimes hair in the food.
- We couldn't think of anything we don't like.
- Playtime—People fall out. Not everyone wants to play with people.
- Lunchtime food would like more choice
- Some children like homework books others prefer online.

How can we improve our school? How can we make it better?

- Give tasks each week.
- Extra inter school football matches.
- Sports competitions within our own school / phases.
- Have one section of the field for a different sport everyday.
- Put the reason for the golden ticket on the back, so it is read out.
- We would like attendance rewards back (we understand that this is covid)
- We have lots of digital homework, can we have more homework on paper (maths and English)
- Can we have a talent show every year please.
- Adding a secondary school
- Learn more languages.
- More afterschool sports
- More afterschool clubs
- More time to study!
- Some of the older children could help us play games on the playground.
- We could have a friendship bench to help people that don't have anyone to play with.
- We could always be kind to each other.
- Read more books from the library
- Lunchtimes—have buffet days and ask children what food they would like on the menu e.g. BBQ pork—vote each week?
- Compromise—a bit of each food

What are your favourite lessons at school and why?

- PE, because we love sports and it's fun to stay active at school.
- Maths because of the way it's taught.
- Art because of learning the different techniques.
- IT to extend knowledge of technology.
- Love the texts in English!
- DT because of being able to create and make things that we might not be able to by ourselves.
- The teachers make lessons fun and practical—not just worksheets.
- English is good because we can buy the books.
- Maths because *we learn to + - x and ÷. The teachers explain it in different ways so we understand it.
- We do Rapid Re-call and we can see ourselves getting quicker. It's exciting to see if you have moved onto a new card the next day :)
- ICT because we get to learn about computing and we use crumble.
- PE because we do fun activities and play lots of games. During our P.E. we are getting fitter and healthier.
- ART because we learn how to draw and the skills to make us better.
- ART and DT because we get to try NEW things like cross-stitch.
- R.E Because we get to learn about other religions and how people are different.
- Puberty, because if we didn't learn about it from our teachers we wouldn't know.
- Science because we learn all about the world and animals– we understand what they go through.
- History because it is very interesting.
- DT because you like designing.
- ICT because we get to go on the laptops and we like Purple Mash
- Maths because it helps us understand money.
- Art because we like drawing.
- P.E. to get ebergy.
- English is good to helps us learn more words and vocabulary and practise our writing.
- RE and Geography to learn about other places, people and religions and how to respect each other.
- Art—I like to draw
- Maths—I like learning about fractions
- Science—We do experiments and learn about the world
- Pe—We get to use the equipment and get fit
- ICT—I like coding and learning how to make a presentation on Powerpoint
- English—We get to practise our writing.
- Reading—We listen to and read lots of stories
- English because we enjoy the Big Writes and getting prizes I enjoy the Roald Dahl books we do.
- History because we learn about different people from the past.
- PE because I like the activities we do.
- Maths because we learn different ways of doing things, I have got more confident in Maths
- Creative lessons - enjoy using the clay and building torches and chariots.
- PE as we enjoy doing sports (dodgeball, netball, athletics –javelin)
- Maths as we like to do times tables and compete with friends on TTrockstars
- Humanities—we get to learn about other civilisations
- RE as we learn about other religions
- Science due to the experiments (the egg one was their favourite)

How could we improve the teaching and learning at St Luke's?

- Different team sports such as volleyball, dodgeball etc..
- Giving us more time to complete writing at home.
- Use pupil's abilities when choosing groups.
- When we are learning about a book, we should always watch the movie.
- More French and Art.
- Learning by having fun.
- We like the way we are taught now because its not too strict and not too soft.
- Harder questions in English and Maths.
- Ask the children what they would like to do in lessons.
- Art, I would like to use clay more.
- More homework.
- A range of activities in maths—rotation of activities like we do in reading
- To learn other languages e.g. Spanish, German, Italian, Punjabi

Do you feel happy and safe at our school?

- We feel the building and surrounding areas are secure.
- It's ok to talk to Teachers about problems.
- Teacher's are aware of any dangers and keep us safe.
- Fire alarm tests.
- We are treated equally.
- When we have puberty lessons we go into girls and boys rooms so that we feel more confident and comfortable.
- We have locked gates and doors so no one can come through.
- We can ask any questions we want- we feel comfortable.
- We feel safe in a fire drill because our teachers help us.
- We have a digital worry box that we can access any time of the day.
- Yes
- Yes I enjoy coming to school and the teachers look after us.
- I feel happy because my friends make me feel better when I'm feeling sad.
- We feel safe and happy because the building is safe and the staff look after us.
- The gates as we feel secure.

What do you think about the behaviour at our school?

- Good and above!
- Teacher's give rewards and consequences and we understand these.
- The behaviour is good but some children argue a lot and are rude to each other.
- Sometimes children blame you for something that you haven't done
- Football can cause arguments.
- Mostly good but some children do kick other children.
- Good—because we help each other out and play together
- Most children stay on green
- We like the behaviour system and think that children have exceptional behaviour.
- At times, listening and concentration in lessons could improve.
- Good behaviour at lunchtimes and playtimes—need to avoid accidents

What do you think of our Rainbow Rules & our Rewards & Discipline system?

- They work and are easy to follow.
- Like Dojos.
- Discipline system is fair.
- The traffic light system is fair. There should be a black if you go into the behaviour book.
- The system is fair—the rainbow rules help us to know what to do and the traffic lights show we are good to be green.
- We like Rapid re-call certificates
- We like the Rainbow rules a lot and all the rewards we can get when we behave.
- The traffic lights help everyone try hard to do the right thing
- I like it because when we do something really good we get to put our names on Gold
- I like collecting dojos getting prizes.
- Golden tickets are good because we get to have cake and juice with Mrs Grennan at the tea party
- Going to the tea party makes be feel proud of working hard
- Good to be green is fun as we get to play and have fun
- I like getting stickers so I can show my mom when we go home.
- Good to be green because we get to play with things we haven't in a long time.
- I like getting golden tickets because we have a chance to go to the tea party.
- The children enjoy collecting dojo points and receiving golden tickets.
- They like celebrate and praise and receiving headteacher's awards.
- Would like to go back to having attendance awards.
- Children would like class prizes for reading weekly/monthly?
- Reading prizes for the number of times they read rather than the number of books (due to size of books varying)

St Luke's is a Church School!

How do you know it is?

- There's a church in our school.
- Name of the school and lessons about Christianity.
- Worship everyday.
- School logo.
- We have worship areas.
- We have Worship every day.
- We have a cross and a lot of symbols to show we do lots of religious things.
- Church had a Sunday service at our school.
- It's called SAINT LUKES
- There is a church next to our school.
- Luke is in the bible.
- We have our own church.
- Our school is named after the church.
- Because we have a community.
- We have worship every day.
- Family worship.
- We have a place for worship and Bibles in the classroom.
- We pray together.
- We have a cross on our jumper that stands for God
- It has a church
- We have worship and we pray
- We know we are a church school because we pray to God.
- Church next to the school is called St. Luke's
- Cross on the school logo
- We have worship every day and RE every week
- Every classroom has a worship display and cross/area
- In the hall there is a large art piece with a cross on it

Do you enjoy worship and RE lessons?

- Yes!
- We learn about Christianity.
- We do creative things with Mrs Grennan.
- People from History are often used to illustrate a point.
- We like the 'Walk Through The Bible' booklets.
- Love singing the Worship songs.
- Writing prayers for Worship.
- Yes.
- Worship: We have different assemblies and visitors.
- Our family can come.
- We learn new stories.
- We sing old and new songs.
- R.E: We like the videos and challenges. We talk about fun events like Easter and Christmas.
- Because the teacher is fun :)
- We got to make pancakes on Shrove Tuesday.
- We do different activities.
- Yes! Fun and exciting stories.
- We like learning about God, Jesus, his disciples and the Bible.
- Yes—We get to listen to stories about Jesus
- We enjoy singing songs in Worship
- We like learning about Jesus. Our rainbow rules show us how we can be more like Jesus.
- I think it's really nice that we have worship and we get to learn about the kingdom of God.
- We liked having family worship.
- Celebrate and praise as we celebrate achievements in school
- Learning new songs
- We enjoy when Vic comes in to lead worship
- Even though a Christian school, we enjoy learning about other religions in RE

Could worship and RE lessons be improved? If so, how?

- Nope
- We could have more wordsearches.
- Learn about more religions other than the ones we look at.
- Already good!
- could have visitors come to talk to us.
- We could visit a church and other places of worship
- Create more religious work for the school building.
