MARATHON KIDS

Through running, Marathon Kids has transformed the lives of more than 2.5 million children. We have recently introduced this in our school as the programme gives primary school children the opportunity to run or walk multiple marathons over the school year. Mr Lewis takes each year group out once a week (weather permitting) for up to 30 minutes. This is either on the field or on the MUGA. Please note that children can bring their trainers in order to do this activity!

Some parents have raised concerns that children are not wearing coats whilst doing this and also, that it is too hard for them. Please can I reassure you that all children are told that they can wear their coats (most choose not to or take them off whilst running) and also, each child is able to go at their own pace to build up their stamina!

In next week's Collective Worship, we are learning about more of Jesus' stories and what they mean.

Can you remember any of the parables we have looked at this week?

Can I please remind parents/carers that we expect the same level of behaviour from adults as we would do of any children in our school. This includes the language we use and how we treat one another. Thank you!

Congratulations to our parents who have recently completed the Volunteering Course in conjunction with Adult Education Wolverhampton.

Have you been late this week?

15 children have signed in late this week which is a great improvement on last week! Can we reduce this even more?

Please think about the impact being late has on your child.

8:45 a.m. for morning Nursery
8:55 a.m. for Reception to Year 6
12:30 p.m. for afternoon Nursery.

Would you prefer to pay for school visits, school dinners, clubs, swimming, Skoolz Out online?

Rather than having to find the correct money or finding an envelope, why not use our online payment system.

It is so easy to use and you can track what you have paid for. If you would like more information, ask to speak to Mrs Ferguson for more details.

Punctuality

Being on time is an important life skill and something that we must all strive towards. Being late to school can be very stressful for both you and your child and can have an impact on your child's learning. In addition, not being collected on time can also be worrying for your child. Please be on time or let the office know if you are running late and need to use our Skoolz Out facility.
