

Aspire, Believe, Achieve!

'I can do all things through Christ who strengthens me' Philippians 4:13

What a wonderful time Year 6 had at Condover Hall this week. 58 of our Year 6s spent four action-packed days doing a range of activities. From abseiling, archery tag, climbing, laser maze, team challenge to gladiator wall and orienteering.

The children certainly have learnt new skills, tested their limits and grown in confidence, making memories that will last a lifetime! Staff are already working hard to put together photos and video clips of their adventures which we will share with you as soon as possible after half-term.

Are you interesting in developing your Volunteering skills?

Wolverhampton Adult Education are interested in running a 6 week course in our school on Wednesday mornings from 9:15 a.m.

The course will explore: the skills you need in order to undertake a voluntary job role, i.e. personal skills, employability skills, health & safety and more.

If you are interested, come to the Coffee morning on Wednesday 6th November @ 9:15 a.m.

Reminder: Children break up for half-term today. See you on Monday 4th November!

A very disappointing week, we have not met our target of 97%!

This is due to the increasing number of parents asking for holidays in term time, this is seriously impacting our attendance and your child's learning.
