Dear Parents and Carers of Year 4, 5 and 6 Students,

It has come to our attention that some children have joined a Snapchat group where offensive language and inappropriate material are being shared. We are deeply concerned about this and urge you to check your child's devices and monitor their online activity closely.

Snapchat is unsuitable for children under 13 years old. We kindly remind you to ensure that your child is not using apps that are inappropriate for their age.

Key points to consider:

- **Monitor your child's devices:** Regularly check the apps and content your child is accessing.
- **Discuss online safety:** Have conversations with your child about the importance of online safety and appropriate behaviour.
- **Age limits for apps:** Ensure your child is using apps that are suitable for their age. Snapchat, for example, requires users to be at least 13 years old.

We appreciate your cooperation in helping us maintain a safe and respectful environment for all students. If you have any questions or need further assistance, please do not hesitate to contact Mr. Skywalker.

Thank you for your support.

Sincerely,

Mr. Skywalker
Computing and Online Safety Lead
