### Coronavirus (COVID-19) Update

Dear Parents/Carers, as a school we continue to encourage good hygiene practices amongst all pupils, staff and visitors in school. Public Health state that the best way to protect yourself and your child from Coronavirus is to follow the **Catch it, Bin it, Kill it advice** and wash hands with soap and water for at least 20 seconds. More frequent hand washing is advised particularly before touching your face or before eating. As a school, the children are continually reminded about this during the school day. The following poster summarises the key ways to reduce the spread of this virus.

#### How can you stop coronaviruses spreading?

If you need to cough or sneeze

**Catch it**  
with a tissue

**Bin it**

**Kill it**  
by washing  
your hands with  
soap & water or  
hand sanitiser

You should wash hands with soap & water or hand sanitiser

**After breaks**  
& sport  
activities

**Before**  
cooking  
& eating

**SCHOOL**  
**ETC.**  
On arrival at  
any childcare  
or educational  
setting

**After using**  
the toilet

**Before**  
leaving  
home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

New Government Guidance (from last night) are now asking people to stay at home if they show symptoms of Coronavirus, however mild. The symptoms are a new continuous cough and/or a high temperature (37.78 degrees centigrade or higher). The guidance states that individuals will need to contact NHS 111 if their symptoms worsen or persist for more than 7 days.

The updated government advice is available at: <https://www.nhs.uk/conditions/coronavirus-covid-19>

We will continue to keep you updated. As soon as we receive any information from the Government, Public Health or other health professionals, we will send updates via our text messaging service, school Facebook page and through the school's website. Please therefore make sure that we have your up-to-date contact details and that you keep checking either our School Facebook page or website for updates. Thank you for your continued support during this time which we understand is worrying for everyone.

### Staff News

We have two student teachers in Year 1 and Year 2 over the next few months, who are completing their final placements.

Mrs Barnard continues to recover at home, she thanks everyone for their best wishes and misses everyone!

Thank you to all the parents/carers who joined us for our Parents/Carers Consultation Evening on Wednesday and Thursday evenings. Over 300 of our children's families attended and it was lovely to see so many of you.

There was lots of positive comments and it was lovely to see so many of you enjoying looking through your children's books and seeing what they have been up to since September!
