

Aspire, Believe, Achieve!

'I can do all things through Christ who strengthens me' Philippians 4:13

We have been given lots of child tickets for the Wolverhampton Bonfire & Fireworks night on Saturday 2nd November 2019.

If you would like to be in with a chance of winning some tickets for you and your family, then get designing your **Bonfire & Fireworks Safety posters!**

Think about:

- What kinds of things could you include in your poster?
- What does your poster need to tell people about bonfires and fireworks?
- Not using too many words
- Making it bright and cheerful!

Closing date: Friday 25th October (morning)

Diarrhoea and vomiting in children

Keep kids home from school for

after symptoms have passed. This is enough time to let the virus run its course

If your child already has a serious illness, or symptoms last longer than a few days, contact your GP to seek advice

Washing hands frequently and thoroughly helps limit the spread of the virus

You don't need to visit the GP for stomach bugs such as **Norovirus**. Symptoms usually clear up in a few days.

Visit [nhs.uk/norovirus](https://www.nhs.uk/norovirus) for advice on managing the spread of Norovirus

Home Treatment

Paracetamol is useful for fever or aches and pains

Give kids plenty of water to stay hydrated and replace lost fluids

If your child feels like eating, give them bland foods
